January 26, 2012

Dear Parents of Mrs. Peters' Junior Kindergarten Students,

As you are aware, Friday, February 3, 2012 will be Mrs. Peters' last day at Jacob Beam until she returns from her maternity leave in approximately one year. We wish her a joyful time with her growing family.

It is my pleasure to introduce Mrs. Amanda Riel who will be covering Mrs. Peters' maternity leave. Mrs. Riel is so excited to be joining the Jacob Beam teaching team. She has an extensive music and technology background, combined with her love for children and her commitment to the success of every child. Mrs. Riel has already been in the school several times to get to know our wonderful junior kindergarten students. She looks forward to meeting everyone and invites parents to drop in and meet her any time. Mrs. Riel's teaching responsibilities will commence Monday, February 6, 2012. Please watch for an introductory letter coming home from Mrs. Riel in the next few weeks.

Sincerely,

Christine Waler  
Principal
