

June 2017

Dear Parents & Guardians,

It's that time of year again when we remind each student, to bring the following items on the first day of school. Rather than wait until September it would probably be easier for parents to purchase their school supplies during the summer months. Keep in mind many supplies will need to be replaced, buying in bulk might be appropriate. If purchasing school supplies is cost-prohibitive, please do not worry, we will supply your child with everything he/she needs. We appreciate your help in preparing your child/children for Tuesday September 5th, 2017.
