June 2017

Dear Parents,

It's that time of year again when we remind each student to bring the following items on the first day of school. Rather than wait until September it would probably be easier for parents to purchase their school supplies during the summer months. Keep in mind many supplies will need to be replaced, buying in bulk might be appropriate. We appreciate your help in preparing your child/children for Tuesday September 5, 2017.

Primary School Supplies
