Dear Parents:

The Niagara Falls Art Gallery offers in-school, art based integrated workshops for all grades, using art concepts and techniques to supplement and enhance classroom studies of art as well as the other disciplines. We are fortunate to be able to book two workshops for each class, as follows:

October 5th and 6th, 2010
April 5th and 6th, 2011

Total cost for these workshops is \$10.00 per student. Please return the attached slip with payment no later than Friday, October 1st, 2010. Cheques should be made payable to Jacob Beam Public School. Please note that post-dated cheques cannot be accepted. We are looking forward to a wonderful “hands-on” art experience!

Sincerely

The Jacob Beam Staff
