

December

Ms. Howe Grade 1 / 2

•

It was so nice meeting with so many of you during the interview sessions in November. Thank you for making the time to come and discuss your child with me. If you ever have any concerns/questions, please do not hesitate to write it in your child's agenda.

Christmas Concert

- The Primary Christmas Concert will be held on Tuesday December 20, at 1:45 and 6:00 p.m. Our class will be busy preparing their song throughout the month.
- *We would like to make some instruments for our performance, so if you could send in a toilet paper roll with your child it would be greatly appreciated.

Winter Weather

- The snow will be starting to fall, which means it is very important to send your child to school with the appropriate clothing. Please ensure your child has an extra pair of mittens and socks, just in case an extra pair are needed after an outdoor recess.
- We are practising really hard, trying to remember to put all of our hats, mitts, scarves, etc. in our coat sleeves so that we will not misplace them. If you could continue this practise at home it would be appreciated.
- * Please ensure your child has appropriate indoor shoes at school at all times

Launage

- We are continuing to make connections, in all that we read and discuss. Please encourage your children to discuss some connections that they have made (as it relates to themselves, another text that they may have read, or the world).

Mathematics

- The grade 1 and grade 2 students will be learning about:
 - -Addition and Subtraction
 - -Linear Measurement
- **Science**
- Grade 1: Characteristics of Objects and Properties of Materials
- Grade 2: Properties of Solids and Liquids
