Regional Track and Field

Your child has successfully moved on to the Regional Track and Field Meet to on Tuesday, June 4th, be held at Welland Centennial High School located at 240 Thorold Rd, Welland ON.

Each athlete needs to be prepared for a day of physical activity. This means proper athletic wear (shirts, shorts, shoes etc.) and proper snacks, lunch and drinks. We're hoping for an excellent "weather day", but Spring weather is very unpredictable. We are encouraging all athletes to dress appropriately for the weather and remind them that there is little shade and no shelter at the field ... please come prepared for a full day outside. A good lunch with several bottles of water and snacks should also be brought by each athlete. Hats and sunscreen are encouraged, but athletes are reminded that hats must be removed during competition (i.e. races).

Please complete, detach and return the form below and the signed attached permission form. Your child(ren) cannot compete in the Regional Track and Field Meet WITHOUT the return of BOTH of these forms.

If you have any questions, please contact us @ Jacob Beam by phone.

Thanks.

Sincerely,

Mr. D. Chuchman and Mr. T. Robinson (coaches)
