From the desk of Mrs. Baggs

On behalf the Jacob Beam staff, I would like to welcome everyone back to school. A special welcome to our new students and parents. We hope you have all had a safe and fun summer. We are looking forward to a great year. Communication is the key. My office door is always open.

We have a number of staff changes year. We welcome Mrs. Nagy as a half time teacher. Mr. Raptis is a junior teacher and a French teacher. Mrs. Palmer is now a contract junior homeroom teacher and the

French teacher. Mr Han-nahson will be teaching in our Structured Strategies Class. Mr. Gratton will be a DECE with Mrs. Haney. Mrs. Phillips will return with Mr. Chuchman. Once the staffing process has been completed on Friday Sept. 14th, we will know who our regular teaching staff will be and any changes will commence on Monday, Sept. 17th.

A big thank you to our caretaker, Miss Michelle for making our school sparkle during the summer. It looks amazing!

We look forward to a great year at Jacob Beam. We look forward to working with all of our students to help them achieve their best. This year we are going to focus on "Work Hard Be Kind!" as our motto.

Mrs. Christine Baggs,
Principal

Early Release Day is Friday, Sept. 14th

Students will be released at noon.
There will be no afternoon classes.

Meet the Jacob Beam Staff

Thursday, September 20th

4 - 6:30 p.m.

Cash BBQ dinner will be available—information and order form will come home soon!

Can't wait to see you!

Please be sure to return all verification forms to our school office by September 7th. It is imperative that we have up to date contact information for you.

Dropping Off & Picking Up Students

Please remember that there is now only **one entry and exit to and from the school**. Directional signs and parking spaces for cars have been painted on the tarmac. Please note that the only safe way for parents to drop off their children in the morning is to enter/exit our school property and follow the roundabout. Cars must complete a full circle, drop off students, and continue out the same way. Picking up students at the end of the day is more challenging as there are very few parking spots available. Please do not park in our neighbours' driveways.

Before and after 2:00 p.m., the bus drop-off/pick-up area is for buses only. There is no scheduled bus drop off or pick-up during the two breaks, but there is one at 2:30 p.m. Parking in the bus area is prohibited at all times. This will be strictly enforced by the Town of Lincoln. There is visitor parking at the front of the school and on the side facing King Street. **Please be patient and follow all directions from school staff.** The crosswalk on William Street is located at the intersection of William and Albert Streets.

A FEW REMINDERS FROM THE OFFICE

Visiting the School

We ask that all parents check in at the office if dropping off children or items during the school day. This ensures that learning is not interrupted during the day. Mrs. Bijakowski will make sure items get to students at appropriate break times.

Bussing for Students

Student transportation information is available through a secure portal on the NSTS website. To access your child's information, please visit www.nsts.ca and sign in to the parent portal using your child's Ontario Education Number (OEN). The OEN is located on your child's report card. This will give you all the information you require regarding your child's busing. Please make sure you sign up to receive updates from transportation by completing your email address in the box provided on the site.

Reporting Absences

To ensure the safety of your child(ren), it is imperative that the office be informed about any absences. Please call the school (905-563-8209) and either speak to our secretary or leave a voice mail with the information including the name of your child's teacher and the reason for the absence. Our voice mail is available 24 hours a day. Please do not send a message with a sibling or write it in your child's agenda. This delays the process for identifying absent students and may lead to an unnecessary phone call to home or work.

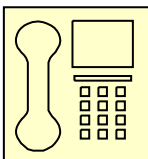

Photo Day

This year, Edge Imaging will be in the school to take individual and class photos on **October 1st**. Re-take day will be **November 7th**. Smile!

School Council

Jacob Beam has a very active School Council with dedicated parents committed to the success of every student in our school. Please join our **School Council...** ALL parents are welcome and participation is encouraged. Our organizational meeting will be held on

Thursday, September 27th at 6:30 p.m

YMCA Day Care

The YMCA day care is located in Room 9 which is at the back of the school. Specific information for drop off and pick up will be sent home by the YMCA day care. The phone number is 905-563-3918. Parents picking up children at the end of the school day must be buzzed in through the front door of the school.

All students not accompanied by a parent, must leave school property immediately at 2:55 p.m. unless they are staying for a school-sponsored event or day care.

School Cash Online

It's not too late!! We are up to 80% of our families registered online.

Please take a moment to register your child/ren. www.jacobbeam.dsbn.org Click the School Cash link on the right hand side and follow the 3 easy registration steps. You can use School Cash Online with confidence; it is a safe and secure portal. If you require assistance or have questions, please contact the Office. We would like to use this method to ensure you receive notes. Thanks for your support.

Life-Threatening Allergies/Anaphylaxis

At **Jacob Beam**, we have students who have severe and life-threatening allergies to a variety of things, particularly peanuts/nuts, perfume/scents, and bee stings. We need your help in creating the safest possible learning environment for all students. Please do not send in any food items containing peanuts or nuts. Please consider celebrating special events with non-food items, e.g. special pencils instead of cupcakes. We encourage all children to wash their hands thoroughly after eating and several times during the day. Please try to avoid wearing perfume/cologne if you are staying in the school for any length of time.

It is the responsibility of parents/guardians to inform the Principal, that their child is at risk of **anaphylaxis** and to outline the expected symptoms and requested intervention by school staff. When a request is received, the principal will prepare an **Plan of Care** for the student with the parents. If your child has an allergy that requires an epipen, e.g. to bee stings, nuts, etc., please bring the epipen (two are recommended) into the office with the appropriate medical form (available in the office) signed by a physician. **This form must be signed each year.** Board policy requires that an allergic reaction that results in the use of an epipen be followed by a call for an ambulance. **If you are new to our school and have not previously spoken with the Principal regarding your child's specific allergy and the school's procedures, please let the office know immediately.**
